

VINEPAIR

1. ROSÉ ALL DAY

Despite the fact summer hasn't even started yet, we, too, are already sick of the words "rosé all day." But this canned wine ticks all the boxes. It's bubbly, arrives in 250-milliliter pours, and is bursting with character. It tastes a lot more "serious" than its packaging suggests, with strawberry, raspberry, and lavender notes giving way to a surprisingly dry, crisp finish. At \$15 for 1 liter of wine, it's also an absolute bargain. Average Price: \$15 per 4-pack.
